Serving Rotarians since 1920

OFFICIAL LICENSED VENDOR OF

Rotary International

"We're not the best
because we're the oldest...
we're the oldest
because we're the best"

"Serving Rotarians since 1920." The Russell-Hampton Co. is the only company in the world that can even come close to making that statement. How does a small family business survive for 92 years, especially in light of today's economic difficulties? It's simple really. We are dedicated to our customers and our customers are dedicated to us. We strive to offer you, our customers, the best quality products, the best service, the most competitive pricing and the most complete line of Rotary International emblem merchandise available from one source. For four generations from our founding father "Mac" McCready to his son-in-law Hank Hamblin, and to Hank's son-in-law (me) Bob Lowe, and to my son-in-law Joe Beveridge, we have all carried on the same business code of ethics that reflects all of our memberships in Rotary.

It is because of you, our valued customers, that over all these years the Russell-Hampton Co. has given more than \$10 million in royalties to Rotary International. Without you, our customers, we would not be able to make that statement or this one: "Serving Rotarians since 1920." On behalf of all Russell-Hampton Co. employees both past and present, thank you for your patronage and for all that you do for the world as fellow Rotarians. And remember,

"We're not the best because we're the oldest; we're the oldest because we're the best!"

Sincerely,

Robert C. "Bob" Lowe
President

 A gold-plated pin shaped like a stylized cloud with a gear-like border. The words 'Above & Beyond' are inscribed across the center.

Above & Beyond

In 1901 Emma Kuehle Divine, a 17 year old Salvation Army volunteer, discovered that the busy people in the streets of New York were painfully slow in responding to the needy. What could one teenage girl do to reach so many? Emma bought a small bell and started ringing it to attract donors. The donations rolled in and soon the entire Salvation Army was ringing little bells across the nation.

Do you have a cause? If so, find your bell and ring it. Let no one tell you that the problems of the world are too big to tackle, or that one person like you can't make a difference.

ROTARIAN OF THE YEAR

 A gold-plated pin shaped like a gear with a star in the center. The words 'ROTARIAN OF THE YEAR' are inscribed across the center.

ROTARIAN OF THE YEAR

A wise woman who was traveling in the mountains found a precious stone in a stream. The next day she met another traveler who was hungry, and the wise woman opened her bag to share her food. The hungry traveler saw the precious stone and asked the woman to give it to him. She did so without hesitation. The traveler left, rejoicing in his good fortune. He knew the stone was worth enough to give him security for a lifetime. But a few days later he came back to return the stone to the wise woman.

"I've been thinking," he said, "I know how valuable the stone is, but I give it back in the hope that you can give me something that is far more precious. Give me what you have within you that enabled you to give me the stone."

PRINT OPTIONS

• **Screenprinting:** This print process is best suited to simple artwork with only a few solid, unique colors. It is not recommended for artwork with lots of colors, shading, or for photographs.

• **Four-Color Process Process Dye-Sublimation:** 4CP Dye-Sublimation allows for full color printing for artwork such as photographs, watercolors or any computer generated artwork. This process is printed on white satin only, but can be printed full-bleed.

PRODUCTION OPTIONS

• **Standard Fabrication:** Our trading banners are printed on satin. We offer V-shaped, inverted V-shaped and straight edge bottoms without extra charge.

• **Custom Cuts:** Contact us for a quote for custom banner shapes.

• **Custom Finishing:** Add \$1.10/banner for sewn (serged) edges, and \$1.45/banner to have fringe on 3 sides. For other custom options, contact us for a quote.

• **Alternate Satin, Fringe, Cord & Tassel Colors:** No extra charge. Contact us for available colors.

REORDERING YOUR EXISTING BANNER

If we have previously made custom banners for you and you are reordering without changing the design, please contact customer service at (800) 877-8908, or orders@ruh.com.

• **Delivery:** 5 to 6 weeks upon order placement.

• **Rush Charge:** \$35.00 - turnaround time subject to approval.

• **Set-up Charge:** The set-up charge for repeat orders is \$30.00.

• **Minor Design Change:** Add \$15.00 for simple design alterations (changes to text, removing design elements, etc.).

ORDERING BANNERS WITH NEW ART

If you would like to order custom banners with new artwork, please contact our Graphic Artist at (800) 877-8908 x817, or graphics@ruh.com.

• **Set-up Charge:** There is a set-up charge of \$40.00 on all new screenprinted banner orders, and \$85.00 on all new 4CP dye-sublimated banners orders. If we are designing or laying out your banner, or if your artwork requires alteration to be printer-ready, there is an additional art charge of \$40/hr, with a minimum charge for 1 hour.

• **Delivery:** 5 to 6 weeks upon order placement. For the first order of dye-sublimated banners, it is our standard practice to first send you a sample of the artwork printed on satin to confirm the appearance of color. This process is optional, and it may add about a week to overall production time, but it is recommended.

• **Art Requirements:** Vector based artwork is strongly preferred, especially for screenprinted designs: *CorelDraw (.cdr files) - Version X3 or older, Illustrator (.ai files) - Version CS4 or older, Encapsulated Postscript (vector-based .eps files).*

The following bitmap files are also acceptable at **300+ DPI**. Please submit artwork at the largest size available. These filetypes are suitable for 4CP dye-sublimated banners, but usually not for screenprinted banners: *PhotoShop files (.psd files), JPG or TIF files.*

For image area on banners or any questions, please contact our graphic artist at extension 817 or graphics@ruh.com.

• **Rotary International Restrictions:** The Rotary emblem cannot be covered by other design elements or changed in any way. It cannot be reproduced to look three dimensional. It cannot have anything touching it / attached to it. It can be reproduced in any one color, but can only be gold (yellow) and blue if reproduced in two colors.

• **Emailed Artwork:** E-mail art to graphics@ruh.com. Please include contact name, phone number, club name (or district number) and banner size desired. Attachments cannot be any larger than 25 Mb. If larger, please mail in a CD or use file-sending service (such as yousendit.com).

RETURNS AND CUSTOM ORDERS

We realize that there are times when you may need to return merchandise for one reason or another. Russell-Hampton has always had a very liberal return policy.

We are requesting that upon receipt of any order from us, you open the package as quickly as possible. Check the entire package for any problems, as you remove the packing please be aware there may be smaller items included in the wrapping. They will usually be in a small manila envelope. **(Sometimes that envelope is taped to the bottom of the box.)** We have had some customers inadvertently throw that merchandise away with the paper or box.

When removing items from the box, please check for breakage, wrong items, or other errors. Compare the merchandise with the descriptions given on the packing list included in the box. When engraving is included, please check the copy for spelling errors or wrong dates. If there are any problems, please contact us immediately. **All merchandise being returned for credit or exchange must be done within 90 days of receipt.** If the items are returned after that date there will be 10% restocking fee deducted from your credit or billed to your account.

If there was no error made by the Russell-Hampton Co. on the shipment (i.e. You ordered the wrong pin size), then you or your club will be responsible for all shipping and handling charges. This includes orders being refused at the time of delivery. These charges will **not** be credited to your account, but you will be given credit for the merchandise if we receive it in good condition.

Note: There are no returns on any custom items. This includes any items with a custom imprint or special order. These are shipped to you as a final sale. Before any custom work is completed, you will receive a final proof. To expedite this process, please give the customer service rep a valid fax number or email address. When you receive the proof, look it over carefully. Check the layout and copy for any errors. If everything is ok, sign the copy of the proof and fax it back to the customer service rep's attention. **If you approve a proof and we produce the item per your proof, you will be responsible for that item even if you notice an error upon receipt of that item.**

Authorization for return must be received by contacting one of the customer service reps here at Russell-Hampton. It is always our goal to treat our customers with fairness and good service.
